

D3 XPTM

D3 XP-Ca-P Balancer

D3XPTM

D3 XP-Ca-P Balancer

KEY BENEFITS :

Layers & Breeders:

- Improves bone mineralization
- Optimizes better calcium and phosphorous utilization
- Prevents tibial dyschondroplasia & lameness
- Enhances egg production, maintains laying persistency
- Improves hatchability in breeders
- Improves egg weight and shell quality
- Improves hatching egg selection in breeders
- Prevents embryonic death, malpositions
- Aids in preventing cage layer fatigue in older laying birds

Broilers:

- Enhances the performance of the immune system, and inhibits auto-immunization
- Better calcium and phosphorous metabolism including bone mineralization
- Prevents rickets, tibial dyschondroplasia & lameness
- Enhances process of meat tenderization & breast meat yield
- Improved body weight gain, feed intake and feed efficiency

D3XP WS

COMPOSITION :

Each 200 gms pack of D3 XP WS contain 12,50,000 IU 25-hydroxycriclecalciferol (25-OH-D3 Circulating Form).

DOSE :

Commercial Broilers / Commercial Layers / Breeders 1 gm for 3 to 4 lit of drinking water for 5 days or as recommended by the veterinarian.

PRESENTATION :

1 kg

WITHDRAWAL PERIOD :

None

STORAGE :

Avoid direct sun light, store in cool & dry condition.

D3XP FS

COMPOSITION :

Each 100 gms pack of D3 XP FS contain 20,00,000 IU 1,25-hydroxycriclecalciferol (1,25-(OH)2D3 Active Form)

DOSE :

Commercial Broilers / Commercial Layers / Breeders 100 gm per MT of feed or as recommended by the veterinarian.

PRESENTATION :

1 kg & 5 kg

WITHDRAWAL PERIOD :

None

STORAGE :

Avoid direct sun light, store in cool & dry condition.
